

General Appearance and Dress Code Guidelines

2016-2017 ... Grade 1-12

(Revised on August 14, 2016)

General Appearance Guidelines:

Praise Academy strives to maintain a positive and professional learning environment, which reflects God's call to modesty and purity. Consequently, our appearance should encourage concentrated study and should in no way distract from the learning process. Therefore our appearance code is defined by two specific standards: **modesty** and **professionalism**.

Modesty

First and foremost, a student's appearance should reflect his/her identity as a follower of Christ. Everything we do is an expression of our relationship with God, and in His Word, God makes it clear that we are to be modest and treat our bodies with the utmost respect. Students' appearance should also reflect the Christian value of encouraging the focus on the inner self, not the outer. It is also important to note that what is "in style" is not always in accordance with the standards we seek to reflect. Therefore we have some basic guidelines that we expect students will meet in accordance with these biblical standards. The standards of modesty should be reflected in a student's dress at all times.

Professional

We want students to be comfortable but we also expect Praise Academy student's appearance should meet basic standards. As a learning community committed to excellence, we desire to wear clothes that are appropriate and create this type of learning environment.

It is important to note that these standards do not involve morality; rather they are preferences that Praise Academy seeks to uphold in our school community. This is also in place to prepare our students for their future when they may have various appearance codes at their places of employment or other venues.

If a student or parent has a question of whether a specific garment or style is appropriate, the time to check is before wearing it. Appearance standards related to modesty always apply when students are on campus or at any school activity, unless otherwise specified.

Since students purchase their clothing and personal belongings as a part of the family unit, and prepare for school at home, it is Praise Academy's desire to partner with parents to give proper guidance on clothing choices. We would much prefer appropriate clothing and appearance decisions be handled at home to ensure compliance with Praise Academy standards.

Each student will be held responsible for his/her appearance. Instances of deviation from established standards will be handled on an individual basis. Parents' support for the natural process of consequential decisions by students is greatly appreciated and helpful in the maturation process.

If a student is found to be out of dress code, he/she will be sent to the school office. The use of duct tape, band-aids, or other efforts to cover a dress code violation is not acceptable. If a student is not able to correct the violation quickly so that they can return to class, the parent will be called to bring appropriate attire or be sent home. In the case of piercings that are outside of dress code, the students will be asked to remove the jewelry immediately. Additional instances will be seen as a sign of disrespect and will result in consequences.

Parents are asked to ensure that their children dress in compliance with the school's dress/ hair code each day. The Dean of Discipline is responsible for interpretation and enforcement of these policies.
