PRAISE ACADEMY PHILOSOPHY STATEMENT

The philosophy of Praise Academy focuses on a partnership of the home and school for the purpose of training the next generation. In order to accomplish that task, Praise Academy focuses on Kingdom education. Kingdom education is defined as:

- A life-long, Bible-based, Christ-centered process of leading a child to Christ (Christ-first)
- Building a child up in Christ (self-worth)
- Equipping a child to serve Christ (discipleship).
- This spiritual development plan includes a rigorous and uncompromising academic program.
