

## 2020-2021 Tuition and Fees

**Re-enrollment Fee**.....600.00

This is the fee for returning students. It holds the student’s spot in the grade he or she will be going to in the next school year. Because the school orders books, licenses and materials during the current school year for the next school year, this fee is non-refundable. All tuition and fees must be current in order for a student to re-enroll. A \$10.00 processing fee is charged by Renweb and will be added to the re-enrollment fee.

- All re-enrollment fees are due before February 1. From February 1 to February 28, the fee is \$700.00. After February 28, the fee is \$750.00.

**Registration and Enrollment Fee**.....750.00

This is the fee for all new students whether they enroll at the beginning of the school year or some time during the current school year. This covers all the costs of enrolling a new student and ordering the necessary books, licenses and materials for the current school year. This fee is non-refundable.

**Technology Fee**.....50.00 / 150.00

This fee includes the cost of providing electronic devices such as smartboards, smart TV’s, laptop computers, and tablets as well as software, security and support for these devices. The \$50 fee is for grades 4 and below. The \$150 fee is for grades 5 and up.

**Graduation Fee**.....50.00 / 100.00

This fee covers the cost of graduation which includes diplomas, graduation gowns, and ceremonial costs. The cost for kindergarten is \$50, and the cost for high school graduation is \$100.
