Please note: The 10-payment plan is for the convenience of parents who wish to make monthly payments. This does not mean that a parent is paying for a particular month of the school year. Early withdrawal requires a \$500.00 withdrawal fee and no refunds on previous months paid. All fees apply until a student is officially withdrawn from school. Yearly tuition amount is due for the year regardless if a student withdraws during the school year, graduates early, or qualifies for early release. The yearly tuition is due on July first each year; however, parents may elect the 10-month payment plan.
